

**Bobcat®**

## Utility Vehicles Accessory Guide Model Year 2017

***One Tough Animal®***

# HAUL

*Compare the capacities of a Bobcat® utility vehicle to a pickup truck. A utility vehicle can carry up to 1,250 pounds; that's nearly as much as a pickup. Not only that, but you will also spend less on insurance. Plus, both licensed and unlicensed drivers can use the vehicle.*

## WHY BOBCAT UTILITY VEHICLES?

*For a fraction of the price of a pickup, you can transport passengers between jobs quickly. Every Bobcat utility vehicle can carry you and a companion. Some models allow up to five passengers. And because it's more of a dedicated work vehicle, it's not as likely to get cluttered up with personal items.*

# TRANSPORT

# USE ATTACHMENTS

*If you want to do the work from the comfort of your cab, Bobcat utility vehicles are made for it. Add integrated attachments, such as the optional snow blade or rear-mounted sprayer. And if you really need attachment options, the 3650 can use heavy-duty, PTO-powered attachments for mowing as well as clearing snow and debris. It can also use standard attachments for moving dirt and palletized materials.*

*There's seldom anything "light" about light-duty work. When you think about what you need to get more work done in a day, it usually comes down to carrying more, increasing strength and moving faster. Bobcat utility vehicles are made to deliver on all fronts.*

# TOW

*The 2-inch receiver hitch can easily handle 2,000 pounds of trailered equipment and materials. Hydrostatic drive models feature dynamic braking, and simple direction changes make three-point turns effortless. And if there's no road, or limited access, a utility vehicle works perfectly.*

# INDIVIDUAL TIRES & RIMS

Whether you're hitting the trail or hauling a load, Bobcat offers a selection of tire styles to fit the different applications of your Bobcat utility vehicle.

## TIRES

### 26-Inch Heavy-Duty Mud Tire

Durable in extreme conditions with heavy loads, these tires provide a sense of confidence in deep mud. Aggressive tread patterns are designed for any trail, whether in the woods or the desert.

Part No. **7307679** – Front  
Part No. **7307680** – Rear  
**3400, 3400XL**

### 25-Inch Mud Tire

Keep moving in soft and wet soil conditions with Bobcat mud tires. This tire provides good float, aggressive and wide tread, and increased durability.

(Rim sold separately)  
Part No. **7027146** – Front  
Part No. **7027147** – Rear  
**3400, 3400XL, 3600, 3650**

### 25-Inch General Purpose Tire

Great tread depth and more rubber on the contact surface provide increased traction, puncture resistance and longer tire life. The shoulder design minimizes turf damage.

(Rim sold separately)  
Part No. **7027654** – Front  
Part No. **7027655** – Rear  
**3400, 3400XL, 3600, 3650**

### 25-Inch Hard-Surface Tire

The tire construction provides durability and versatility. This tread pattern enhances comfort for a smooth and quiet ride on hard surfaces and paths.

(Rim sold separately)  
Part No. **7027144** – Front  
Part No. **7027145** – Rear  
**3400, 3400XL, 3600, 3650**

### 25-Inch Turf Tire

In the park or on the farm, this turf tire provides rider comfort with maximum performance. Turf tires are great for landscaping applications with little damage to the ground you are working on.

(Rim sold separately)  
Part No. **6989065** – Front  
Part No. **6989066** – Rear  
**3400, 3400XL, 3600, 3650**

## RIMS

### Black Powder-Coated Rim

The sleek look of black wheels made with durable steel base and black powder coat. For use with any tire. Mounts on front/rear axle, left or right.

Part No. **7028397** – Rear  
Part No. **7028398** – Front  
**3400, 3400XL, 3600, 3650**

### Orange Powder-Coated Rim

Factory standard orange wheels made with durable steel base and orange powder coat. For use with any tire. Mounts on front/rear axle, left or right.

Part No. **7023517** – Rear  
Part No. **7027785** – Front  
**3400, 3400XL, 3600, 3650**

A Bobcat utility vehicle is parked in a clearing surrounded by tall evergreen trees. In the background, a range of mountains is visible under a cloudy sky. The vehicle is white with black accents and red wheels. The text "Get used to GETTING THINGS DONE." is overlaid on the image, with "GETTING THINGS" in large white letters and "DONE." in large red letters.

# *Get used to* **GETTING THINGS DONE.**

*They're the only utility vehicles fit to wear the legendary Bobcat brand. And unlike many other vehicles on the market, they're built for work. Whether you prefer gas or diesel, continuously variable transmission (CVT)*

*or hydrostatic drive, Bobcat makes the utility vehicle that's right for your job. Pick yours and get fast-moving transportation, heavy-hauling ease of use and a host of other features tailored for operators who do tough jobs.*

# MODULAR CAB ENCLOSURES

Remove or reinstall the doors and windows in minutes, and easily customize the flow of fresh air to match the job or season.

## ROOFS

### Canvas Roof

Easy-to-install, durable canvas roof adds comfort and durability for the operator. Heavy-duty canvas constructed with 23 oz. flexible polyester material that is UV coated and mold resistant.

Part No. **7227920**  
**3400, 3600, 3650**

Part No. **7259496**  
**3400XL**

### Sport Roof

Great value, durable and lightweight, this roof provides overhead protection from the sun and elements. It fully integrates with other cab components. Easily installs with very few tools.

Part No. **7227927**  
**3400, 3600, 3650**

Part No. **7259493**  
**3400XL**

### Deluxe Lined Sport Roof

Minimize operating noise and enhance rider comfort with this premium roof. Insulated with a durable and washable liner for added enjoyment.

Part No. **7227936**  
**3400, 3600, 3650**  
**(MY16 and older)**

### Premium Roof

Part No. **7316769**  
**3400, 3600, 3650**  
**(MY17 and newer)**

### Steel Roof

Strongest roof made of 12-gauge steel. Made for optimal durability and protection. Black powder coat for corrosion and scratch resistance. Easy bolt-on installation.

Part No. **7227953**  
**3400, 3600, 3650**  
Part No. **7259490**  
**3400XL**

# DOORS

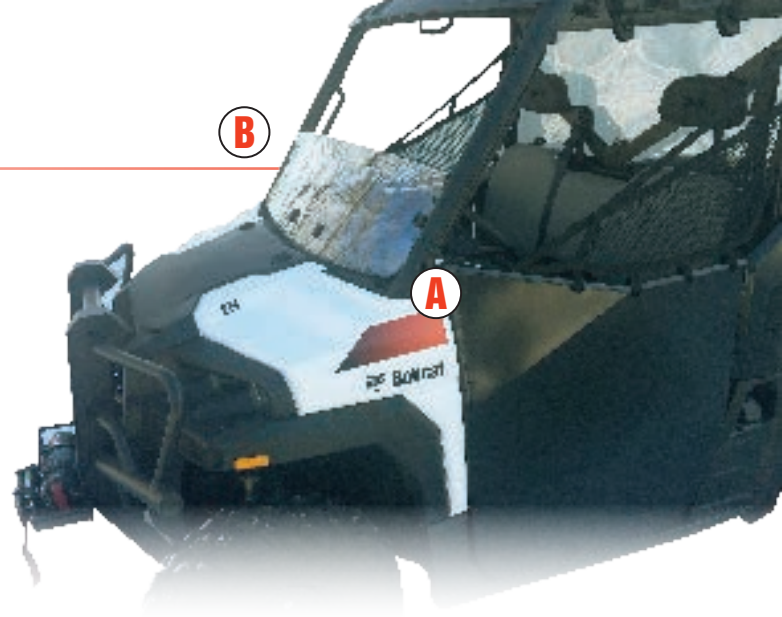

## Premium Door Kit

Create a sealed cab with these easy-to-install doors. Made from durable molded plastics. They come with pivoting glass windows on both passenger and driver's side that have excellent abrasion resistance and ventilation. Kit includes two doors.

Part No. **7227960** – Front  
*3400, 3400XL, 3600, 3650*

Part No. **7259499** – Rear  
*3400XL*

## A. Half Door Kit

Black powder-coated doors feature strong, durable steel construction. Plus, they have steel tube frames to withstand all the rigors of aggressive off-road riding. Half doors install easily and securely. Kit includes two doors.

Part No. **7259514** – Front  
*3400, 3600, 3650*

## B. Poly Half Windshield

Durable, poly half windshield provides riders with an outstanding mix of protection and airflow for an open-cab feel. System utilizes the integrated accessory mounting system.

Part No. **7259517**  
*3400, 3400XL, 3600, 3650*

## C. Canvas Roof

Easy-to-install, durable canvas roof adds comfort and durability for the operator. Heavy-duty canvas constructed with 23 oz. flexible polyester material that is UV coated and mold resistant.

Part No. **7259496**  
*3400XL*

## D. Premium Front Brush Guard

Corrosion-resistant powder-coated, heavy-gauge steel guard offers great protection to the front end of the vehicle, helping to guard against debris, brush and branches. Includes brush guard assembly and hardware.

Part No. **7219854**  
*3400, 3400XL, 3600*

## F. Canvas Door Kit

Lightweight and reliable canvas doors install easily and provide protection, comfort and outstanding value. Door has full-size heavy-duty vinyl window. Heavy-duty canvas constructed with 23 oz. flexible polyester material that is UV coated and mold resistant. Kit includes two doors.

Part No. **7227915** – Front  
*3400, 3400XL, 3600, 3650*

Part No. **7259502** – Rear  
*3400XL (MY16 and older)*

Part No. **7316768** – Rear  
*3400XL (MY17 and older)*

## E. Poly Windshield

Durable polycarbonate windshield provides ultimate strength and protection for the driver along with great visibility. System utilizes the integrated accessory mounting system.

Part No. **7227932**  
*3400, 3400XL, 3600, 3650*

Part No. **7227930** – Hard Coat  
*3400, 3400XL, 3600, 3650*

# ALL-DAY COMFORT *FOR A FULL DAY'S WORK*

## WINDSHIELDS

### Glass Windshield

Extremely strong and durable laminated glass provides the most reliable protection. Installs quickly and easily for a sealed fit and integration into the cab frame. System utilizes the integrated accessory mounting system.

Part No. **7227963**

*3400, 3400XL, 3600, 3650*

### Glass Bolt-On Windshield

Provides strong and reliable protection in all riding conditions. Laminated safety glass is compatible with wiper kit P/N 7246232 (sold separately).

Part No. **7227944**

*3400, 3400XL, 3600, 3650*

### A. Tip-Out Glass Windshield

Laminated safety glass is top hinged with hand-operated latch that opens windshield to two positions, providing optimal airflow and access. Hardware included. Compatible with wiper kit P/N 7246232 (sold separately).

Part No. **7227955**

*3400, 3400XL, 3600, 3650*

### B. Windshield Wiper & Washer

Get a clear view of your travel path during inclement weather. Compatible for fixed or tip-out windshield styles. Two-speed wipers with washer.

Part No. **7246232**

*3400, 3400XL, 3600, 3650*

### C. Side-View Mirror Kit

Increase visibility with side mirrors. Kit includes two external mirrors and mounting hardware. Side mirrors mount to cab frame.

Part No. **7204856**

*3400, 3400XL, 3600, 3650*

### D. Integrated 4500 lb. Winch

The Warn® winch has 4,500-lb. rated pull to handle a variety of tasks. Integrated into the machine, this kit includes winch, mounting bracket, harness and two controllers, dash mounted and hand held.

Part No. **7226023**

*3400, 3400XL, 3600*

### A. Work Lights

Illuminate your area with front and rear work lights. Lights can be mounted to cab frame, poly roof or steel roof. Front and rear require front power leads P/N 7229408 or 7260989 and 7260991 for gas.

Part No. **7204859 – Front (2)**

Part No. **7261327 – Rear (2)**

*3400, 3400XL, 3600, 3650*

### B. Poly Rear Panel

Optical grade polycarbonate rear panel installs easily for added protection from the elements. Durable material offers optimal strength and visibility. System utilizes integrated accessory mounting system.

Part No. **7227942**

*3400, 3400XL, 3600, 3650*

### C. Gun Boot

Removable, shock-absorbing foam and nylon liner for interior protection. Outer case features ergonomic handle and sling attachment points. Accommodates left- and right-hand bolt-action rifles and shotguns.

Part No. **6988959 – Black**

Part No. **6988960 – Camouflage**

*3400, 3400XL, 3600, 3650*

### D. Box Extension/Divider

Expand box length and divide space for added capacity with this versatile box extension. System utilizes the integrated accessory mounting system. Kit includes accessory anchors.

Part No. **7228798**

*3400, 3400XL, 3600, 3650*

## REAR PANELS

### Canvas Rear Panel

Complete the canvas cab enclosure with the durable polyester rear panel. Heavy-duty canvas constructed with 23 oz. flexible polyester material that is UV coated and mold resistant for protection from the sun and elements. Designed for easy installation.

Part No. **7227917**

*3400, 3400XL, 3600, 3650*

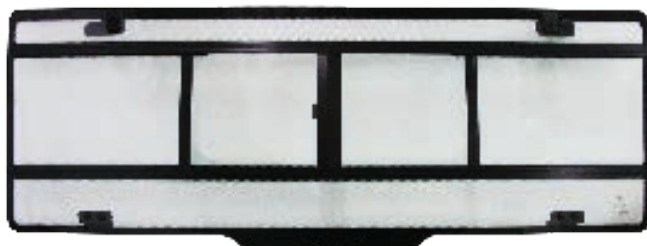

### Glass Rear Panel

This tempered glass rear panel is durable with high scratch resistance for optimal visibility. The panel installs easily for a great fit and protection. System utilizes the integrated accessory mounting system.

Part No. **7227938**

*3400, 3400XL, 3600, 3650*

### Glass Sliding Rear Panel

Added comfort and protection is available with this premium rear panel. Made of durable tempered glass with latching sliding windows for ventilation and rider comfort. System utilizes the integrated accessory mounting system.

Part No. **7227940**

*3400, 3400XL, 3600, 3650*

# CUSTOMIZE & ACCESSORIZE

Bobcat utility vehicles are packed with automotive-style comforts and amenities. All accessories and options are integrated into the machine, so your interior always looks clean and sleek.

## ELECTRICAL & COMFORT ACCESSORIES

### Dome Light Kit

With the push of a button, you can easily illuminate the interior of your utility vehicle. The plug-and-play harness and weatherproof connectors allow for fast, simple installation.

Part No. **7300857**  
**3400, 3400XL, 3600, 3650**

### Horn Kit

A horn can be a great addition to help alert others around you. Includes horn and dash-mounted button. Requires front power leads P/N 7229408 or 7260989 and 7260991 for gas.

Part No. **7228093**  
**3400, 3400XL, 3600, 3650**

### LED Light Bar

Illuminate your work area with high-power LED lights. Bar can be mounted to cab frame. Compatible with all cab options. Require front power leads P/N 7229408 or 7260989 and 7260991 for gas.

Part No. **7257391**  
**3400, 3400XL, 3600, 3650**

### Back-up Alarm Kit

Whether required by the jobsite or added as an additional warning to bystanders, a back-up alarm alerts others to your backing vehicle.

Part No. **7222651**  
**3600, 3650**  
Part No. **7265295**  
**3400, 3400XL, 3600, 3650**

### Grab Handle

Make entering and exiting easier by adding an additional grab handle. Easy and adjustable hook and loop installation.

Part No. **7194742**  
**3400, 3400XL, 3600, 3650**

### Terminal Block

Designed for model year 2017, 3400 and 3400XL machines with manual box lift provide a mid-chassis electrical power source for rear-mounted accessories. Comes standard on model year 2017 3600 and 3650. Requires front power leads.

Part No. **7260991 (gas only)**  
**3400, 3400XL**

### Front Power Leads

Required for some electrical accessories. Includes wiring harness and mounting hardware. Adds accessory power to front terminal block.

Part No. **7229408**  
**3400, 3600, 3650**  
Part No. **7260989**  
**3400XL**

### Authentic Carhartt Work-Ready Seat Covers

You can protect your seats with the same work-ready quality and durability found in Carhartt® work wear with these custom-fit seat covers for both the seat bottom and backrest. Easy on, easy off. Machine washable.

**Seat Cover Grey, Carhartt (bench)**  
Includes one back cover and two base canvas covers to fit 40/60 bench seating configuration.

Part No. **7311707**  
**3400, 3400XL, 3600**

**Seat Cover Grey, Carhartt (buckets)**  
Includes two back and two base canvas covers to fit bucket seating configuration.

Part No. **7310883**  
**3650**

### Skid Plate

Protect the underside of your vehicle with this high molecular weight (HMW) skid plate. HMW polyethylene is strong, durable and has a low coefficient of friction so it will slide across the tops of rocks and obstacles better to keep you rolling. This quarter-inch thick skid plate installs easily and protects the bottom of your vehicle. The black HMW polyethylene material is molded to fit the contours of the underside and act like a protective shell.

Part No. **7265426**  
**3400, 3600, 3650**

# ELECTRICAL & COMFORT ACCESSORIES

## Cab Insulation Kit

Helps eliminate road noise and creates an additional seal for the cab. Provides operator comfort in adverse weather conditions. Same insulation kit included on the factory cab.

Part No. **7265210**  
**3600, 3650**

## Block Heater Kit

Improve cold starts and start up lubrication of your diesel engine by adding a block heater.

Part No. **7259511 (diesel only)**  
**3400, 3400XL**

## Travel Control Pedal Plate

Attaches to existing pedal to offer additional foot support and comfort when changing direction from forward to reverse.

Part No. **7230442**  
**3600, 3650**

## A. Radio Kit

The Bobcat heavy-duty AM/FM radio kit is the perfect way to add entertainment to your utility vehicle. Requires front power leads P/N 7229408 or 7260989. For complete kit, order all part numbers listed below.

Part No. **7028567** – Includes waterproof radio, speakers and antenna.

Part No. **7223350** – Includes wiring harness, brackets and mounting hardware.  
**3400, 3400XL, 3600, 3650**

## B. Turn Signal Kit

Alert other drivers of your direction changes with this turn signal kit. Kit includes all wiring.

Part No. **7261845**  
**3400, 3400XL, 3600, 3650**

## C. Variable Speed Limit Kit

Bobcat UTVs can have speed set to different top speeds, depending on users' demands. 40 mph kits include side nets. Side nets sold separately in 25 mph kits.

Part No. **7261167 – 40 MPH GAS** **3400**

Part No. **7261165 – 40 MPH GAS** **3400XL**

Part No. **7267348 – 40 MPH DIESEL** **3400**

Part No. **7267349 – 40 MPH DIESEL** **3400XL**

Part No. **7230585 – 25 MPH** **3600, 3650**

Part No. **7261169 – 25 MPH GAS** **3400, 3400XL**

Part No. **7261171 – 25 MPH DIESEL** **3400, 3400XL**

## Heater Kit

Keep your enclosed cab warm. Kit includes heater box with floor discharge, coolant hoses, electric controls and a three-speed blower fan. Requires front power leads P/N 7229408 or 7260989.

Part No. **7273823 (diesel only)**  
**3400**

Part No. **7273822 (gas only)**  
**3400, 3400XL**

Part No. **7261069**  
**3400, 3400XL, 3600, 3650**

## Battery Blanket

Boost battery power up to 75 percent. 120-volt AC operation, blanket-style heater warms battery core to 60-70 degrees above the ambient temperature for quick starts.

Part No. **7261292 (diesel only)**  
**3400, 3400XL, 3600, 3650**

## Rearview Mirror

Add a rearview mirror to assist in the safe operation of your vehicle. Kit includes internal rearview mirror and mounting hardware. Mirror mounts to cab frame.

Part No. **7311256**  
**3400, 3400XL, 3600, 3650**

## Heated Seat Kit

Kit includes two heated panels for added rider comfort in cold weather conditions. Includes all wiring for installation to seats. Requires front power leads P/N 7229408 or 7260989 and 7260991 for gas.

Part No. **7228091**  
**3400, 3400XL, 3600, 3650**

## Side Net Kits

Side door nets for 25 mph speed limit kits.

Part No. **7265900** **3400, 3600, 3650**  
Part No. **7265901** **3400XL**

It's not  
**PERFECT**

until it's  
**PERFECT  
FOR YOU.**

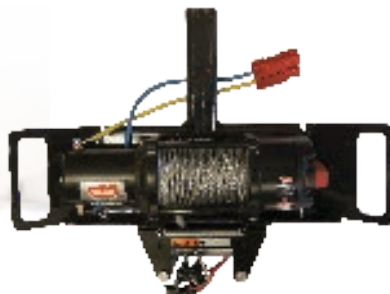

# INTEGRATED & PROTECTION

## Front Receiver Hitch

Add versatility with this front-mounted hitch. Uses any standard 2-inch draw bar and integrated multi-mount winch.

Part No. **7219862**  
*3400, 3400XL, 3600*

## Multi-Mount 4,500-lb. Rated Pull Winch

The Warn® winch has 4,500-lb. rated pull to handle a variety of tasks. Multi-mount option mounts to the rear integrated receiver hitch and optional front receiver hitch. Kit includes winch, mounting bracket, harness and two controllers, dash-mounted and hand-held. Requires front power leads P/N 7229408 or 7260989. If mounting to front of vehicle, front receiver hitch P/N 7219862 is required.

Part No. **7226025**  
*3400, 3600, 3650 (rear mount only)*

## Integrated 4,500-lb. Rated Pull Winch

The Warn® winch has 4,500-lb. rated pull to handle a variety of tasks. Integrated into the machine, this kit includes winch, mounting bracket, harness and two controllers, dash-mounted and hand-held. Requires front power leads P/N 7229408 or 7260989.

Part No. **7226023**  
*3400, 3400XL, 3600*

## Dual Gun Scabbard Mount

Transport firearms when you add this accessory to your cargo box. Holds two gun boots (not included). System utilizes the integrated accessory mounting system. Kit includes accessory anchors.

Part No. **7195887**  
*3400, 3400XL, 3600, 3650*

## Standard Rear Brush Guard

Corrosion-resistant steel guard offers added protection to the rear end of the vehicle, helping to protect against debris, brush and branches. Includes brush guard assembly and hardware.

Part No. **7266011**  
*3400, 3400XL, 3600, 3650*

## Anchor Kit

Additional integrated accessory mounting anchors available for your cargo box accessories. Kit includes two anchors.

Part No. **7198443**  
*3400, 3400XL, 3600, 3650*

## Chain Saw Mount

Transport your chain saw by adding a chain saw mount to the cargo box. System utilizes integrated accessory mounting system on the cargo box. Kit includes accessory anchor.

Part No. **7228078**  
*3400, 3400XL, 3600, 3650*

## Snow Plow Kit

72-inch tapered blade is designed to effectively push loads of snow off to the side. Attach or remove blade in seconds. Raise and lower the blade using integrated winch. Manual, five-position blade angle adjustment (20"H to 15"H taper).

Kit includes 72-inch county blade, plow frame and mount. Requires integrated 4,500-lb. rated pull winch P/N 7226023 (sold separately).

Part No. **7233193**  
*3400, 3400XL, 3600*

# INTEGRATED & PROTECTION

## Cargo Box Divider

Keep your cargo separated by adding a divider to your cargo box. System utilizes integrated accessory mounting system on the cargo box. Kit includes accessory anchors.

Part No. **7196051**  
**3400, 3400XL, 3600, 3650**

## Electric Box Lift Kit

Add power lift assist to easily dump cargo from your cargo box. Replaces lift assist shock. Kit includes actuator and switch.

Part No. **7227912**  
**3600**  
Part No. **7259508**  
**3400, 3400XL**

## PTO Cover

Add a layer of protection for yourself and your machine with the PTO cover. Allows safe engagement of the PTO shaft and enhances ease of maintenance.

Part No. **7269428**  
**3650**

## A. Rear Window Guard

Utilizes integrated accessory mounting system for easy installation. A durable design ensures rattle-free performance and long life. The tip-down feature converts the rear window guard to a rack. Designed to work with multiple accessories.

Part No. **7308874**  
**3400, 3400XL, 3600, 3650**

## Tool Box

Create additional storage in the cargo box with this durable and sealed tool box. Cargo box will accommodate up to four tool boxes. System utilizes integrated accessory mounting system on the cargo box. Kit includes accessory anchors. Dimensions: 29.6"L x 17.8"W x 17.4"H

Part No. **7236106**  
**3400, 3400XL, 3600, 3650**

## Hand Throttle

The hand throttle provides precision control and allows the driver to keep both hands on the wheel, enhancing control when headed off-road.

Part No. **7265423**  
**3600**

## Box Hold Down Kit & Mounting Kit

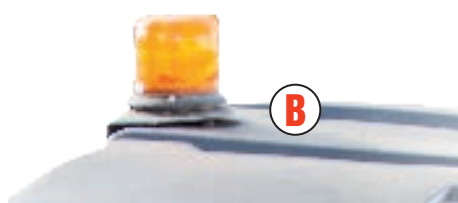

Install the spreader in the utility vehicle cargo box. Requires mounting hardware and catch hardware.

Box Hold Down Kit Part No. **7269587**  
**3400, 3400XL, 3600, 3650**  
Mounting Kit Part No. **7269586**  
**3400, 3400XL, 3600, 3650**

## B. Strobe Light Kit

Be seen in high-traffic areas and reduced-visibility weather conditions. Mounting bracket attaches to the roof of the cab. Strobe attaches with magnetic base to the bracket. Includes wiring kit and on/off switch. Gas unit requires mid-chassis terminal block P/N 7260991.

Part No. **7261325**  
**3400, 3400XL, 3600, 3650**

## Standard Nerf Bar

Nerf bars provide additional protection for the sides of your vehicle. Made from durable, stamped plate steel and powder-coated. Comes with an integrated boot scraper. Bolts to frame.

Part No. **7227949**  
**3400, 3600, 3650**  
Part No. **7259505**  
**3400XL**

## Muffler Purifier

Reduce pollutants by converting harmful exhaust to water and carbon dioxide. Inside the canister is a substrate coated with a small amount of precious metals where the catalytic reaction occurs. The resulting exhaust air complies with all pollution regulations, and it's safer to breathe than untreated exhaust.

Part No. **7272646**  
**3400, 3400XL, 3600, 3650**

## C. Bed Rails

Adds protection to the side of the box. Made with heavy-duty steel and covered with a powder-coat finish. Utilizes the integrated accessory mounting system for quick and easy installation. Includes several tie-down points to secure loads.

Part No. **7308875**  
**3400, 3400XL, 3600, 3650**

***A wide variety of options lets you customize your Bobcat Utility Vehicle for the jobs you do or the personal lifestyle you live.***

# 3650 KITS

## Auxiliary Joystick Kit

Adds convenient joystick control for attachments using auxiliary hydraulics. Adjust the angle of a snow blade, angle broom or snowblower chute with your fingertips.

(Not Shown)

Part No. **7275225**

**3650**

## Auxiliary Valve Port Relief

Protect your attachment with the cylinder port relief. Used with the 3-point angle blade and broom to protect the attachment if you hit an object with the side, allowing cylinder to go over relief.

\*Recommended to order two port reliefs

(Not Shown)

Part No. **7225134**

**3650**

## Debris Screen Kit

Protect the radiator from grass clippings and other debris with this durable screen. Attaches to the front grill and used when operating the front-mounted mower and angle broom.

(Not Shown)

Part No. **7213588**

**3650**

## Tilt Cylinder Stow Kit

Hold the tilt cylinder securely when the 3650 Multi-Attachment X-Change™ system is disconnected.

(Not Shown)

Part No. **7214976**

**3650**

# For MAXIMUM ATTACHMENT VERSATILITY BOBCAT 3650

If you're hauling and towing heavy loads, you can't beat the ease of use of our durable hydrostatic drive. Dynamic braking slows the vehicle when you release pressure on the travel pedal to easily control speed under load. Direction control is simplified as well: Just push your toe or heel on the travel control pedal to change direction. No shifting from forward to reverse and back! Hydrostatic-drive models also have heated, air-conditioned cabs that give you the best protection from the elements.

## 30-MPH TOP SPEED

CARGO BOX

NOTE - Where applicable, dimensions are in accordance with ISO standards. Specifications and design are subject to change without notice. Pictures of Bobcat units may show other than standard equipment. All dimensions are given for vehicle equipped with standard tires. All dimensions are shown in inches. Respective metric dimensions are enclosed by parentheses. Bobcat Company complies with the requirements of ISO 9001 as registered with BSI.

Certain specification(s) are based on engineering calculations and are not actual measurements. Specification(s) are provided for comparison purposes only and are subject to change without notice. Specification(s) for your individual Bobcat equipment will vary based on normal variations in design, manufacturing, operating conditions, and other factors.

*The hydrostatic-drive Bobcat 3650, with its front-mounted, PTO-driven attachment capability, gives you a fast and powerful option for mowing, sweeping, clearing snow and much more. Step inside an air-conditioned or heated cab and comfortably do tough jobs all year.*
